Join SpongeBob and his Friends on 3 great Adventures in Bikini Bottom!

3 books with madcap escapades and entertaining games at every page!

In the beautiful undersea world of Bikini Bottom, off the coast of Hawaii, SpongeBob works in his dream job at the Krusty Krab. In his spare time he enjoys hunting jellyfish, or has fun blowing bubbles. And of course, he gets up to all sorts of stuff and nonsense! Now, your children can discover 3 exciting new adventures with their superhero SpongeBob SquarePants and his friends, Squidward Tentacles, Mr Krabs, Patrick and Sandy Cheeks! They'll love every moment as each fun-pack story unfolds to delight them. Each wonderfully colourful book not only tells an exciting new story, but is jam-packed with fun games and lots of visual surprises and great effects.

SpongeBob SquarePants is a very positive little yellow sponge. He's incredibly curious but sometimes allows his boundless enthusiasm to get himself and his friends into some tight spots! But, thanks to his cheerful nature and optimism, he always seems to come out of his many scrapes and adventures with a smile on his face. These fabulously fun capers will teach your children positive fundamental values such as courage, optimism, tolerance, the value of friendship and helping each other – all while developing a fantastic sense of humour! What better way to entertain your children – these books are playful, instructive and a superb educational tool!
